BANNERS

13 oz. Vinyl Banner

Premium heavy weight 13 oz. vinyl banner (otherwise known as “scrim”). The reasonably smooth surface makes for a good print for both indoor and outdoor applications. This material is typically used for billboards, building wraps, banners, event bags, trade show sign-age, parades, etc. Fire retardant with a tensile strength of over 750 (N/cm). 500Dx500D. Made for both indoor or outdoor use, and waterproof.

18 oz. Vinyl Banner

Whether you need indoor signage for an upcoming event or a long-term outdoor advertising solution, this vinyl banner blockout will get the job done right. This product is ideal for light pole banners and street banners, and the heavy duty construction ensures that it will stand up to outdoor conditions. Make a lasting impact with quality advertising materials from ShagDesigns.

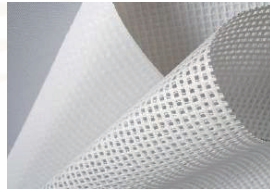

BANNERS

10 oz. Mesh Banner

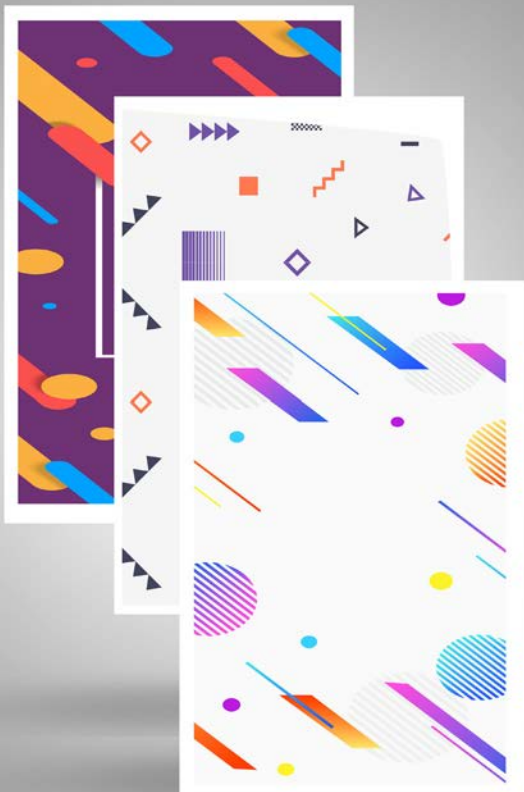

A 10 oz. heavy-duty banner mesh material. They are suitable for outdoor advertisements where wind is an issue. Made with a breathable mesh pattern that allows air flow and slight transparency without sacrificing too much of your image. This mesh is waterproof and made for both indoor and outdoor use.

70/30 Mesh Banner

POSTER PAPER

9 Mil. Poster Paper

Photo quality paper stock. Good for posters, signage, works of art and the like. Mostly used for indoor applications. Matte only

Adjustable Double Foot Retractable

New in stock! Another version of the popular Double Foot retractable equipped with an adjustable pole. This Stand allows you to install prints from 36" to 81" in height.

Double Foot Retractable

Retractable banner stands are lightweight, portable, and include a carrying case. A stylish yet economic banner stand good for any occasion. This stand is a convenient and professional way to showcase your products and services. When not in use, the banner can be easily retracted into its aluminum casing. (Adjustable model also available)

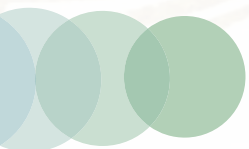

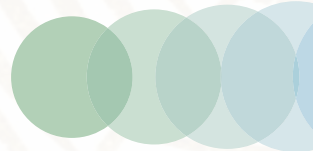

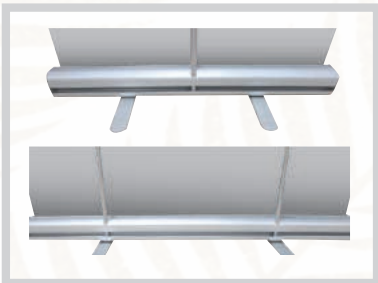

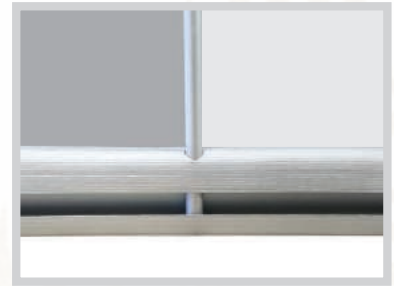

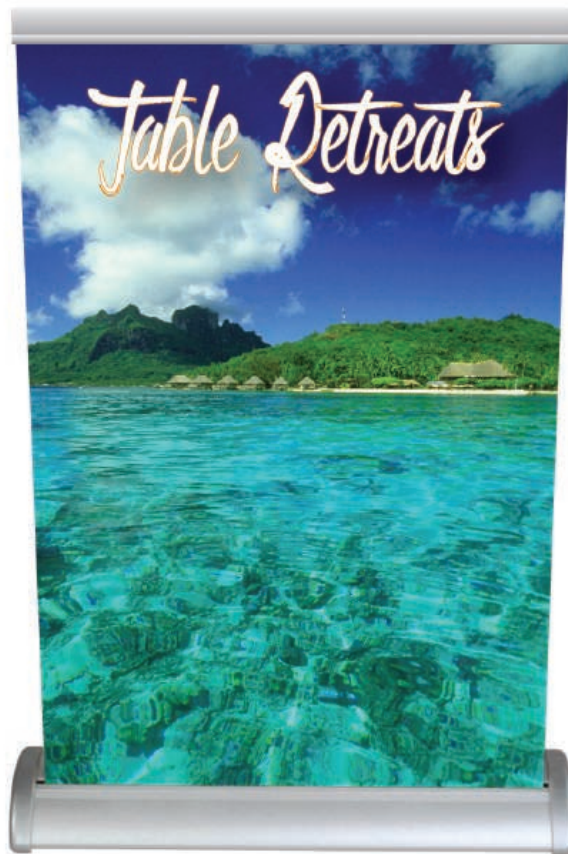

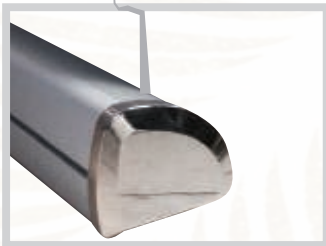

Table Top Retractable

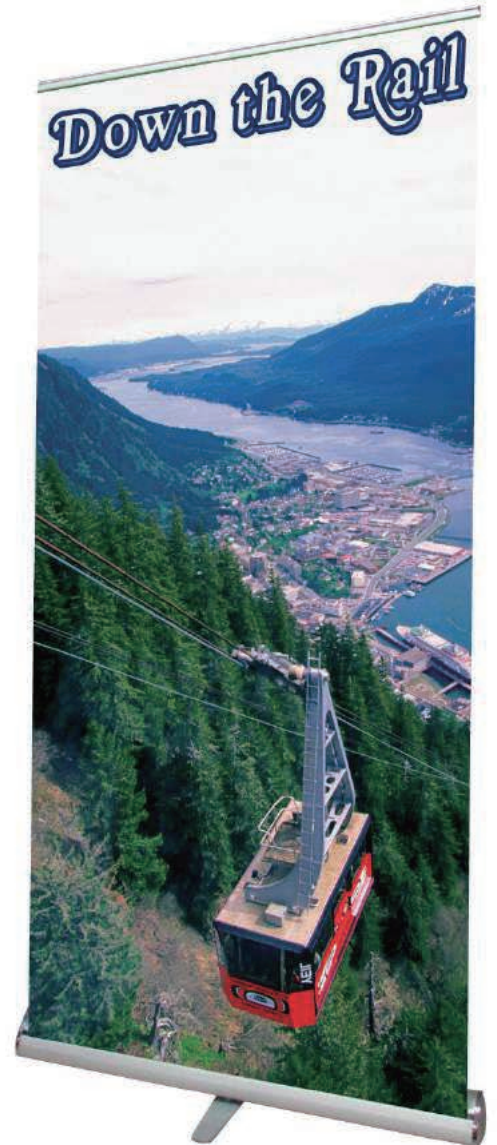

This table top stand is lightweight & portable its compact design makes this stand an ideal addition for any exhibit or display. When not in use the display retracts into its aluminum casing.

Single Foot Retractable

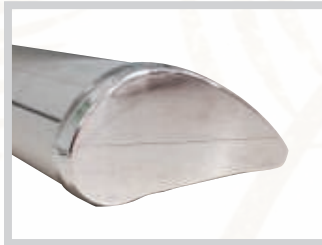

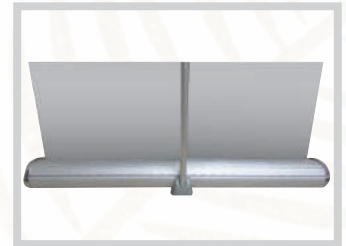

The single foot retractable banner stand is the perfect banner stand for any trade show or exhibit event. A step up from the Double Foot, offering better quality, without breaking the bank. The stand sets up in minutes and can easily be carried. Carry case included.

Deluxe Retractable

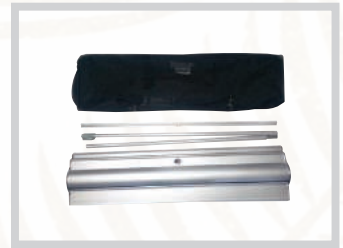

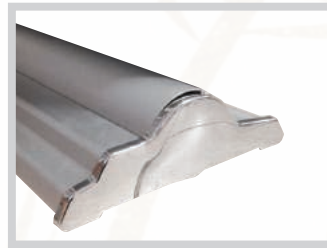

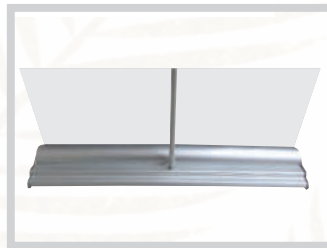

The Deluxe retractable banner stand is the perfect banner stand for any trade-show or exhibitevent. A step up from the Double Foot, offering better quality, without breaking the bank. The stand sets up and breaks down in minutes and is easily portable. Carrying case also included.

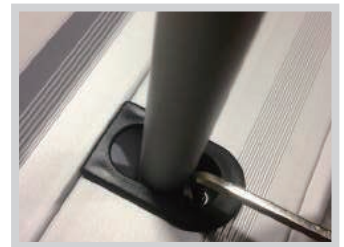

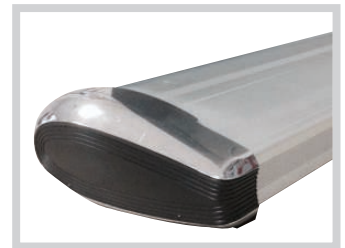

HD Retractable Stand

This sleek wide base frame offers stability and professionalism for your display. That along with a sturdy build, make for a storefront favorite. Formerly just clamp on top and bottom, it has now been upgraded to make for an easier and more familiar installation. (Carrying case also included.)

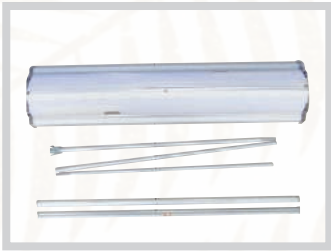

Luxury Retractable

The luxury retractable banner stand offers an adjustable key in the back that allows the user to adjust the angle of your print. Print not standing upright? Simply adjust it to your liking. This sleek design makes for a suitable presentation for any occasion from trade shows to store fronts.

ADJUSTABLE FOR DIFFERENT MEDIAS

Double Sided Retractable

The double sided retractable is good for trade shows, storefronts, and restaurants with a two-way traffic. This stand is a convenient and professional way to showcase your products and services. When not in use the banner can be easily retracted into its aluminum casing.

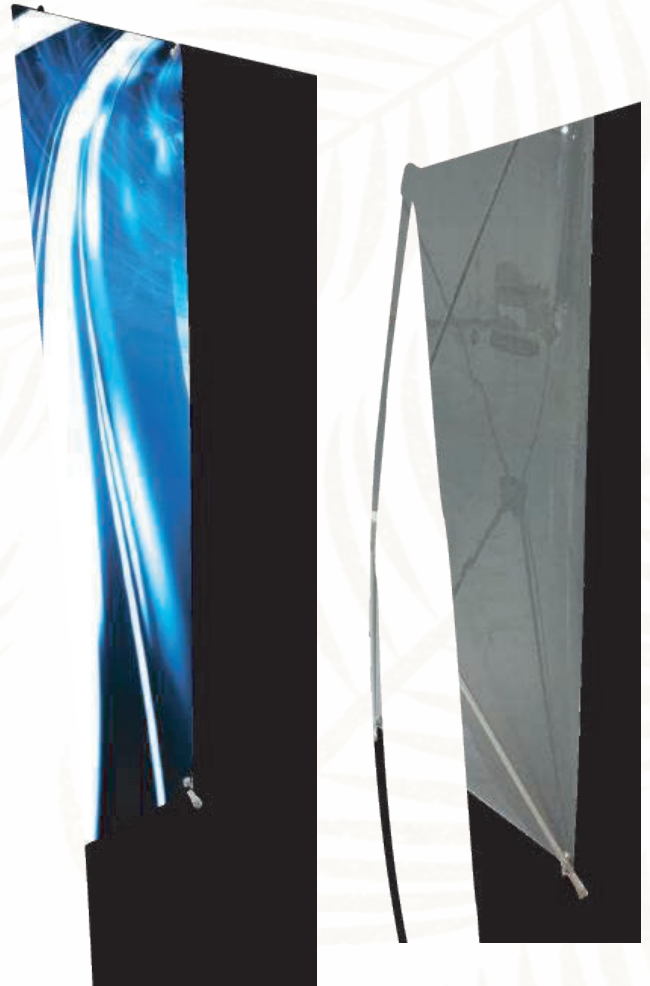

Indoor X-Stands

Showcase your promotional banner with this portable X-stand. It is durable and is the most cost effective display. Comes with stand and carrying case. Available in 3 different models! Sizes can be mixed to reach total quantity.
